God, you are God forever. As we feel your love washing over us now, may we love you with every part of our being: heart, mind, body, and soul. We celebrate your love and ask for your help as we try our best to share the good news of your love with others boldly. We pray in the name of Jesus Christ, who models the way for us. Amen.

Just as Christ has taught us the way of life, the church, we are responsible for bringing life to the world around us through our ministries and the outreach of missions through our connections of faith around the globe. God's generosity exceeds all our limits. How will our manner of life reflect the abundance of God's mercy? Indeed, our offerings are one measure of our response. Let us present them with joy and thanksgiving.

We thank you, God, for this opportunity to express our love to you through the gifts we bring to support and encourage your work in near and distant places. Make our hearts glad that we can share in extending the gospel and helping to heal humanity's pain. As you have poured your healing love into our lives, O God, we now offer these gifts to you. Let them be used in ministries of peace and justice through the work of this church in your world. Amen.
